

## COVID-19 Cases Are on the Rise

Dec 10, 2020

According to the Centers for Disease Control and Prevention (CDC), the number of COVID-19 cases, hospitalizations and deaths across the country are rising. As temperatures drop, people spend more time indoors and the holidays approach, do your part to help to slow the spread. Wear a mask, stay at least 6 feet apart, avoid crowds, and wash your hands often. The more steps you take, the more you are protecting yourself and those around you from COVID-19.

Employees can find information on the company's response to COVID-19 on the *FirstEnergy Today* portal, the [Corporate Health & Safety SharePoint site](#) or [MyFirstRewards.com](#). Please print and post important information for employees who do not access the portal routinely.
