Take me out to the ballgame... or golf course! Employees who have received one or more doses of the COVID-19 vaccine and voluntarily complete the [Employee Vaccination Form](#) on Safe Workplace are eligible for a chance to win tickets to one of the following events:

- Inside the Ropes Experience with a PGA Professional on Saturday, June 26 during the Bridgestone SENIOR PLAYERS Championship at Firestone Country Club. You and a guest will have an opportunity to walk with a pro pairing for 18 holes during the televised tournament.
- Tickets for four to a game of your choice at:
  - Reading Phillies
  - Jersey Shore Blue Claws
  - Erie Sea Wolves
  - Altoona Curve

Winners will be notified by email by June 22.

When completing the Employee Vaccination Form, indicate if you have been fully or partially vaccinated. If partially vaccinated, you'll receive an email reminder 45 days from your first dose, to log the second dose. This information will aid in contact tracing when employees report symptoms or positive cases of COVID-19 during the medical illness screening process.

While the COVID-19 vaccine is not mandatory, eligible employees are encouraged to consider getting vaccinated to protect themselves and others. Employees getting their COVID-19 vaccine during normal work hours may be permitted up to four hours of CV19 time to receive each dose. Please discuss with your supervisor.
