

## A Simple, DIY Face Mask Tutorial

Apr 16, 2020

Traveling Reporter **Karen Clark** walks us through easy, do-it-yourself steps for making a face mask at home to help prevent the spread of COVID-19.

The CDC updated its recommendation on the use of face masks in public settings. FirstEnergy employees who have purchased or made their own may choose to wear them while working. Check out the [FirstEnergy Today article](#) to read about our company recommendations.
