Jul 07, 2020

In May, Steve Strah was elected by the Board of Directors to serve as president of FirstEnergy Corp. Via Microsoft Teams, Steve talks about his new role, his priorities and the experiences that have helped shape his career. Steve also discusses the importance of keeping employees safe throughout the COVID-19 health emergency by continuing to execute on our playbook. And, he reinforces the need for positive change in our company – and our society – to ensure everyone is treated with the kindness and respect they deserve.
